

LAU, WELNEW TRIBAL SCHOOL

PARENT CONSENT FOR COUNSELLING SERVICES

Dear Parents or Guardians:

We are pleased to be able to offer counselling services at the school. Dr. Lisa Gunderson, Registered Clinical Counsellor, and practicum students from the University of Victoria's Child and Youth Care (CYC) program will be available to provide this support to students with referral. To determine which services are the best fit for your child, in-class observations and assessments may also be conducted.

This consent is valid as long as your child attends the school. However, you may stop services for your child at any time.

As discussed, either you or your child's teacher has made a referral for

\_\_\_\_\_ to receive these services from the school.

Please complete the form below and return to your child's teacher.
