

WSÁNEĆ Leadership Secondary School

Campus Guidelines

Thank you for your understanding and support in keeping our students safe.

Grades 9–12: Students may sign themselves out if they need to leave during the school day. We ask that families also notify the front office about any appointments or early pickups.

Grades 7–8: Our campus is closed during the school day. Students in these grades must remain on campus, and direct communication with a parent or guardian is required before they can be signed out. Maintaining a closed campus helps ensure a safe and focused learning environment.

Cell Phones: To minimize distractions, students are expected to keep phones put away during instructional time. We kindly ask families not to text students during class to remind them of appointments or pickups. Instead, please contact the front office for assistance.

Front Office Contact: 250-544-5140
