

# WSÁNEĆ Leadership Secondary School

---

## Phones Away Every Day!

As WLSS is a place of learning, we know that for students to do their best in class it requires limiting the number of distractions where possible. We understand that technology is a big part of students' lives and can help with learning and staying in touch with family & friends, but we also believe it is important to use technology in a healthy and smart way.

WSÁNEĆ Leadership Secondary School will be following the lead of the BC Ministry of Education's order restricting cell phone usage during class time. Teachers will make their classroom policies around cell phone use clear to all students.

IF students' phones become a distraction in class:

1. Their teacher will remind them to put their phone away.
2. If it continues to be a problem, the student must hand it to the teacher to collect at the end of class.
3. If the student refuses to hand it to the teacher, a WLSS administrator will collect it. The student can then collect it at the end of the day. We will also notify home to develop a plan.
